In Flanders Fields

In Flanders fields the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.

An Excerpt from In Flanders Fields by John McCrae

Remembrance Day

We wear a poppy

On Remembrance Day,

And at eleven

We stand and pray.

Wreaths are put

Upon a grave,

As we remember

Our soldiers brave.

LEMON DRIZZLE CAKE (Classes 89 and 95)

Ingredients

225g unsalted butter, softened 225g caster sugar 4 eggs Finely grated zest 1 lemon 225g self-raising flour

For the drizzle topping

Juice 1½ lemons 85g caster sugar

Method

- 1. Heat oven to 180°C/fan 160°C/gas 4. Beat together 225g softened unsalted butter and 225g caster sugar until pale and creamy, then add 4 eggs, one at a time, slowly mixing through. Sift in 225g flour, then add the finely grated zest of 1 lemon and mix until well combined. Line a loaf tin (8 x 21cm) with greaseproof paper, then spoon in the mixture and level the top with a spoon.
- 2. Bake for 45-50 mins until a thin skewer inserted into the centre of the cake comes out clean. While the cake is cooling in its tin, mix together the juice of 1 1/2 lemons and 85g caster sugar to make the drizzle. Prick the warm cake all over with a skewer or fork, then pour over the drizzle the juice will sink in and the sugar will form a lovely, crisp topping. Leave in the tin until completely cool, then remove cake from the tin.

Recipe from Good Food magazine, December 2007

NOVICE TOP TRAY RULES

The Ecclian Society Cup is being awarded for the best "Novice Top Tray".

This class is for exhibitors who have never won a horticulture section cup or trophy at the Eccleshall Show.

 The exhibit must comprise a collection, of three types of vegetables taken from the following list of twelve. The quantity of each vegetable required for the collection is given in brackets, and each type must consist of the same variety:

Carrots (2), Cauliflower (1), Onions (2), Parsnips (2), Peas (5 pods), Potatoes (3), Runner Beans (5 pods), Tomatoes (4), French Beans (5 pods), Cucumber (1), Courgettes (2), Beetroot (2)

Each vegetable will be judged for size, shape and colour, condition and uniformity.

 All vegetables are to be displayed for effect. The vegetables must be displayed within an area measuring 45cm by 60cm (18x24in), without bending any part of them.

The exhibitor may provide a tray or board (no holes etc.), or a black cloth, measuring 45cm by 60cm (18x24in) (internal measurements in the case of a tray) to display the vegetables, or vegetables can simply be displayed within the area as marked on the staging for the class.

 Parsley is allowed for garnishing, but no other foliage or accessories, such as plates, sand, rings and so on, will be allowed.

All vegetables should be shown "as grown" (i.e. no dressing, with some attention to detail as below).

NOTES FOR EXHIBITORS AND JUDGES

- * Carrots and parsnips must have foliage trimmed back to 7.5cm (3in).
- * Peas and beans must be displayed with some stalk attached.
- * Cauliflowers should not be trimmed and with some root.
- Tomatoes must be displayed with calyx (the green flower bud case).
- * Judges will use their discretion when judging the Novice Top Tray class, remembering that entries may come from inexperienced exhibitors.

...about ECCLESHALL SHOW

The show started in 1947 with the aim of providing a social event for the local community and since then it has been held every year – with one exception in 1960.

Apart from the enjoyment of the day itself, the show enables modest donations to be made to charitable bodies which serve the community.

With the help of sponsors we have managed to keep this small country show alive and this year we are making particular effort to attract more commercial interest by expanding our trade stands.

At the same time we shall make renewed links with the younger generation and look to increase the range of entertainment for the paying public.

The equestrian and exemption dog show attract a good following and renewed interest form the local farming community is giving as added boost to the event.

Please help us to preserve another small part of our country heritage, and support your local show.

Other attractions include:-
